Pucci Vintage Nightgown & Robe

Patsy's Story (eBay ID pakrat3)

Dear Lynn,

My favorite place to shop is yard sales, but like you I can't stay out of thrift stores either. You never know what you'll find. This proved true for me this week. I found this vintage nightgown and robe set in a local thrift store and paid \$2.99 for it. I wasn't that attracted to the set itself, but I was to the label: Emilio Pucci for Formfit Rogers!

I listed it on eBay with a starting bid of \$9.99 (as you suggest), and boy did it take off. I was watching the last few minutes and the bid was up to \$76.00. I was ecstatic and would have been so if it didn't go any higher. But in the last few seconds it went up to \$169.16! WOW!

I wish I had a picture of my face when I saw the final price to send you. My chin hit my chest really hard. Unfortunately I don't have a picture of that or anything else that relates to the story. But hope you can use it anyway.

I'm putting the package in the mail today to the winning bidder in California. They probably will sell it in a vintage clothing store for \$5000, but hey! I'm happy with my profit, so I hope they will be too! There are no such stores in middle Georgia!

Thanks for letting me share, and for all the help I've gotten from you and your books!

Patsy
